Also covers these Rooms			
Description/ Special Requirements	The Staff Station is the administrative base for a Unit in which it is located, and enquiry point for patients and visitors. It provides for the co-ordination of patient care, observation, writing up of clinical notes, entering data into computers and making and receiving telephone calls. The Staff Station may also accommodate a Unit Receptionist/ Clerk. The floor area may vary according to the Health Planning Unit, activity level, number of full and part-time staff, the Operational Model and the building layout.		
Amendment	Acoustics: Sound attenuation level - Medium; acoustic privacy required. 13.03.2014 - First Issue
